

# TRANSPORTATION MASTER PLAN

## Notice of Public Open House

### The study is progressing!

The City of Thunder Bay is developing its Transportation Master Plan (TMP) study which will guide the City's transportation infrastructure investments for the next 20 years and beyond. The study is developing a practical, long-term plan for the City's transportation system to meet the needs of pedestrians, cyclists, transit riders, and motorists. The study is being conducted in accordance with the Municipal Class Environmental Assessment (EA) process.

Since the first Open House, the project team has progressed on defining the vision and objectives of the TMP, active transportation analysis, traffic modelling, signal system review, intersection reviews, and more.

### Have your say!

Public input is essential to the success of the TMP. For updates, to review the study progress, or to submit your ideas and feedback, visit:
