

Notice of Public Open House #3

The City of Thunder Bay is developing its Transportation Master Plan (TMP) which will guide the City's transportation infrastructure investments for the next 20 years and beyond. The study is developing a practical, long-term plan for the City's transportation system to meet the needs of pedestrians, cyclists, transit riders, and motorists. The study is being conducted in accordance with the Municipal Class Environmental Assessment process.

Have your say!

Public input is essential to the success of the TMP. Join us at the third and final Public Open House on October 17, 2017. The project team will be presenting the study's key recommendations and proposed networks. Please take this opportunity to provide us with your comments and suggestions.
